

Do you have opinions about research and how it is conducted?

Seeking Volunteers for a Survey Study about Research Experiences

Have you ever been involved in a research study? Have you ever wanted to be a part of research but for some reason could not participate? You may be eligible for study about experiences in research.

You Qualify If You

- Are 18 years or older
- Live in the City of Rochester

Participation Involves

Completing an online or phone survey about your previous health research participation or lack thereof

Interested?

Call (585) 738-7811 or complete the survey online at
